# Welcome

---

We are delighted to welcome you to the 9th Lansdowne Club Golf Classic. The success of the Golf Classic speaks for itself with this year's event fully booked once again. For this we thank you for generous and ongoing support.

A new Waterford Crystal Perpetual 'Shell' Trophy will be presented to this year's winning team. The original trophy 'went missing' highlighting perhaps how special this trophy has become. Thanks to Waterford Crystal for their tremendous support in providing an even more magnificent replacement trophy.

The success of the day is in no small part due to the generous support from our sponsors. You can find further information on each of our sponsors at the end of this programme. A big thanks to the ever- helpful management and catering team at Terrey Hills Golf and Country Club who ensure this event continues to run in a friendly and professional manner. A special thanks to Danny Gray at P.J. O'Brien's whose enthusiasm is much appreciated in providing our CBD home with a stunning breakfast and for his generous support over the years.

We trust you had an enjoyable and memorable day with us today and we look forward to seeing you again next year.

## Golf Classic

---

The Golf Classic is a corporate style golf tournament provided for members and friends of the Lansdowne Club as a networking and marketing event. Like all Lansdowne Club Events, the Golf Classic is full of fun and great entertainment and has become an established and popular annual occasion on our calendar of events.

The inaugural Lansdowne Club Golf Classic was in 1999 and just gets bigger and better each year. The introduction of the Waterford Crystal Trophy in 2005 and a Playoff in 2006 added new levels of interest to the competition with many teams returning year after year hoping to win bragging rights for the next year at (almost) any cost!

In 2007 we again have a fabulous new feature, the eGolfScore leader board system providing real time updates to LCD screens around the course and live on the internet. Our special thanks to Earl Schonberger, Trent Hagg and the team at eGolfScore, and to Blackberry who have sponsored this feature today.
